## CLOSELY BESIEGED

PORT ARTHUR HEMMED IN ON ALL SIDES.

## RUMORS OF BATTLES

Chinese Talk of Attacks on Port Arthur and of Naval Battles.—Guns Removed From Damaged Ships to the Forts.

The Fee, June 9.—Chinese arriving from Port Arthur say the entrance to the harbor is still blocked and large vessels are unable to pass. Gunboats and torpedo boats can only effect passage at high tide. The Russians have several fortified positions between the present positions, extending for a distance of seven miles out. The Port Arthur Japanese fleet is bombarding Port Arthur daily from a considerable distance off shore, as they fear to attempt a closer range on account of the danger from Russian mines.

St. Petersburg, June 9.—Specials from Liao Yang report the Chinese as bringing news that the Japanese on June 2nd attacked Port Arthur by land and sea and were repulsed with the loss of 3,500 men and four vessels, which are believed to be torpedo boats. Other dispatches give rumors of a naval battle between two fleets, in the gulf of Pe Chi Li and definite reports of the bombardment in Liao Tung gulf near Kiaping, which may foreshadow the landing there for the purpose of cutting the railroad back of the Russian troops operating around Wa Fangain.

St. Petersburg, June 9.—The War office is in receipt of information which the officials declare warrants the contradiction of the reports which were brought in by Chinese fugitives to Che Foo, of a four days land and naval attack on Port Arthur, and extensive damage thereto. An official dispatch from Admiral Witsoef, dated June 7th, reports the enemy have been bombarding Port Arthur intermittently from the sea but does not mention any serious damage or land operations. The General Staff seems certain the enemy's siege guns have not yet been brought up.

Che Foo, June 9.—A Chinaman formerly employed in the machine shops at Port Arthur, who arrived here today, says that only five of the largest Russian vessels at Port Arthur are capable of going to sea, and that steam is kept up in but three of these sound vessels. All the guns of the damaged ships have been removed to the forts and the sailors from these ships have gone to the front with the troops. The Russian torpedo boats leave the harbor occasionally for a half hour, but the largest war ships cannot get through the entrance. Little work is being done in the machine shops because of the confusion among the workmen each time firing is heard. The Russians are refusing permission to skilled workmen to leave Port Arthur, but many are escaping. Japanese spies entered Port Arthur last week distributing notices assuring the Chinese of liberal treatment in case the Japanese were victorious.

Washington, June 9.—The Navy Department today received a cablegram from Admiral Sigsbee dated at Monte Christi, which says, "The custom house here will begin the transaction of business June 9th. All ports of Santo Domingo now open to commerce, the revolution being ended."

Denver, Colo., June 9.—Mrs. Mary Garton, Moss & Co.

Etzel, mother of Louis Etzel, the correspondent who was killed in Chinese waters, today filed a claim against the Chinese government for \$20,000. The case has been put in the hands of an attorney who will seek the aid of the Washington government in enforcing the claim for damages.

The Famous Store is Crowded With People Attending the Big Sale.

People are still flocking to the Famous, where its enormous cost sale is still in full swing. What better testimonial could you ask for than the public in general. Our store is crowded from morning till night. Our counters are loaded with the most up-to-date goods, which are being sold at actual wholesale eastern cost. Sixty days have been set aside to dispose of this stock, but at the rate we are progressing it will terminate in less than the specified time.

Our stock has been taxed very heavily, but our sizes and styles are still in very good shape. We can supply your wants in these lines at half the price you will pay elsewhere, as we intend to sell every dollar's worth of goods we have and pack nothing if possible. We would be at great expense in packing and shipping and we will sell every dollar's worth on the spot.

## THE CLUB ROUNDUP.

A Most Delightful Entertainment Last Night at the Roswell Club.

The final round-up affair was held at the Roswell Club last night, and was one of the most delightful of the entire season. The entertainment committee had every detail carefully worked out and it is to their credit that nothing was amiss.

The evening's entertainment was begun by a musical program which reflected much credit on the musical talent of the city of Roswell.

Miss Bettie Ogle sang "Mighty Like a Rose" with much spirit and was heartily applauded. She was followed by Miss Pearl Randolph in a spirited and well played piano solo. Mr. Paylor sang "Adios" from "The Tenderfoot" and pleased the audience so well that he was recalled. Mrs. Sidney Prager rendered two selections with her usual good taste and voice. Owing to illness, Miss McClane who was on the program for a reading, was unable to be present. Miss Eva Nelson sang "Dear Old Girl" and captured her audience. The piano solo by Miss Mamie Walters, "Hunting Song," was much enjoyed. Miss Nina Rabb sang several songs and we need only say that she sang in her usual voice, to the pleasure of her hearers. Miss Wiggins sang a selected solo, which was much enjoyed.

After the musical program, dancing was in order and the music being good, it was a late hour before the round-up ended. During the evening elegant refreshments were served. Tonight the annual election of officers takes place.

He was 70 years of age, and was the father of Lady Curzon, wife of the Governor of India, of Miss Daisy Leiter and Joseph W. Leiter.

WANTED.—To buy delivery wagon. Francisco Mesa and Rosalia Nunez.

## ACTUAL WAR

SEVERAL SMALL FIGHTS HAVE OCCURRED IN COLORADO.

## PAPER WAS WRECKED

Plant of Victor Record Torn to Pieces.—Strike Leaders Have Been Captured and Placed in Jail.—The Troops After Union Miners.

Cripple Creek, June 9.—After a night of intense excitement due to a battle between the troops and strikers at Dunnville, where one union man was killed and a small skirmish on Big Bull Hill, where no one was hurt, and the wrecking of the Victor Record office, matters have quieted down in this military district and it is generally believed the worst is now over. A question between the authorities may arise over the Dunnville battle as it was fought in Fremont county and John Carson, who was killed was brought to Teller county. Adjt. Gen. Bell's right to send the troops out of Teller county is disputed but he claims authority to do so from a paragraph in his orders, which give him authority in Teller county and the territory adjacent thereto. It is considered remarkable that only one man was killed in Dunnville as there were about 200 soldiers and deputies and 35 miners and over two thousand shots were fired by the contending sides. About twenty men were captured and fourteen of these are thought to be union men. C. G. Fridley, who is a brother of the man who is charged with having killed McGee in Monday's riots has been captured and placed in jail. Chas. Miller, a union leader and a member of the Goldfield city council has been captured at Canon City. He is charged with doing some shooting in the Victor riot. The proprietor of the Victor Record, Geo. Kyner, whose place was wrecked last night by a mob, said today he will establish a new plant as soon as possible and resume publication. He estimates his loss at \$8,000.

Cripple Creek, Colo., June 9.—Marshal Naylor and his squad captured George Findley today near Canon City and returned with him to Victor. He is charged with killing Roy McGee in Victor Monday and with having attempted to shoot C. C. Hamlin, secretary of the mine owners association when Hamlin was addressing the meeting in Victor Monday.

Victor, Colo., June 9.—A squad of mounted infantry has gone out today in pursuit of about 55 miners reported to be encamped in the Beaver Creek region east of the city. The troops have orders to shoot the men when found if they resist.

The citizens' alliance has decreed that unionism must be banished from the Cripple Creek district forever. Attorneys are now preparing documents to be presented to all the merchants and employers of labor for signatures pledging themselves not in the future to employ anyone with a labor union. Three thousand men and women will be affected.

## JUDGE BAILEY'S COURT.

The New Justice Makes an Early Start. Judge Bailey did not wait long after his election to commence handing out justice to the evil doers. He qualified yesterday morning and held court in his temporary quarters in the Callisher block yesterday afternoon. He disposed of the following cases: Francisco Mesa and Rosalia Nunez.

appeared on the charge of drunkenness and abusing a Mexican woman in Chihuahua. The woman was the prosecuting witness and also acted as interpreter. The men pleaded guilty and were fined \$14.75 each. They were remanded to jail until the fines were paid. They said they could rustle the money if Policeman Cathey would accompany them to the head of North Spring river where some herders were camped. He locked them up and told them to notify their friends of their trouble.

Ramon Martinez pleaded guilty to indecent exposure of person. He was fined \$14 and placed in jail in default of payment.

Ynacio Rodrigo faced the judge on the down drunk charge. He was picked up in Ragtown and claimed that he was merely taking a nap and waiting for some friends. He declared that he would not pay a fine, but the court fined him \$14. He was placed back in jail.

Tom Crawford and Dan Collins were fined on a drunk charge.

A young man named Martin pleaded guilty to the charge of carrying a six shooter and fighting. He was recommended to the clemency of the court as this was his first offense. He was fined \$75.75 on both charges. This concluded Judge Bailey's work for yesterday.

## Mexican Still Lives.

It seems impossible to kill a Mexican by cutting him and the numerous cutting battles they have among themselves rarely result fatally. Louis Madrid the Mexican who was butchered by one of his friends in a friendly scrap a few nights ago is still alive and the attending physician entertains hope of his recovery. He was removed to the Ward Sanitarium where he would receive good attention. The name of his assailant has not yet been ascertained and no trace of him been found. It has been said that the only way one could kill a Mexican by cutting him would be to cut his head off or his heart out.

## PITCHED BATTLED

COWBOYS HAVE TRAIN ROBBERS SURROUNDED.

## CANNOT ESCAPE

As Country is Thickly Settled.—Reported One Robber is Killed.—Robbers Demanded Food at Rifles Point, and Were Then Followed.

Glenwood Springs, Colo., June 9.—A pitched battle is reported here to have taken place in the Divide creek country twenty miles west of this place, between a number of cowboy and three men who are believed to have held up the Rio Grande train near Parachute Tuesday night. It is said the men are surrounded, and one report says one of the robbers was killed. Another report says the man was wounded. It will be impossible for the men to escape, as the country is thickly settled and many ranches are connected by telephone. Sheriff Adams this morning received a telephone message from Joe Banta, a ranchman on Mann creek to the effect that three men came to his place this morning, and at the point of rifles demanded breakfast. After their departure Banta immediately sent word to surrounding ranches by telephone, and as soon as possible a party of cowboys started in pursuit. As the sheriff was leaving Glenwood Springs to meet the cowboys, he received word that the fugitives had been surrounded and were firing at their pursuers.

## NO IMMUNITY FOR BRIGANDS

Secretary Hay Cables Instructions to Consul at Tangier.

Washington, June 9.—Secretary Hay today cabled Consul General Gunmore at Tangier instructions for dealing with the brigand Raisuli, the main point of which is a positive injunction against committing the United States to any immunity for brigands or in any way taking action to recognize the right of brigands and blackmail in Morocco. This attitude will be adhered to regardless of consequences to Perdicaris.

Satisfaction is the best advertisement. Our prices satisfy the hard to please.—The Famous.

## MAY SUCCEED QUAY.

Hall of Roswell Lodge No. 18, A. F. & A. M.

Roswell, N. M., June 4, 1904. At a regular communication of this lodge held on the above date the following resolution was adopted: "Whereas, We have once more been called upon to bow our heads in sorrow while the angel of death

has taken from our midst a loved brother and valued friend, and have again been reminded of the shortness of life and the uncertainty of its continuance by the death of Brother J. B. Mathews, while yet we thought to have his companionship for many years.

Therefore, Be it resolved, that we express to the bereaved family, so far as words and actions can express sympathy that unites them and us in common bereavement, assuring them that our hearts too have been bruised and will long feel the pain of a lost friendship even as theirs must feel the loss of a husband's devotion and a father's love.

Be it Further Resolved, that we dedicate a page in our records to his memory, inscribing upon it the date of his decease that it may remain as a memorial of one whose presence with us never failed to brighten and cheer the saddest hour; whose heart always beat in unison with ours, and of whom we can say it was good to have known him.

That a copy of this resolution be sent to the family of our deceased brother and published in the Roswell Daily Record.
